

# Dupont Road: Lima Road (SR3) to Coldwater Road

(DES# 0901798)

### Project Description

This is an added travel lanes project. The roadway will be widened to four lanes with a center turn lane where needed. The proposed design has a trail on the southside and a sidewalk on the northside. There is also a pedestrian underpass with this project. The underpass will continue the Pufferbelly trail from Parkview YMCA/Soloman Park on the south side to the north.

The preliminary engineering phase of this project began in 2011 with right of way to begin in 2015. Construction is being programmed for 2017. The funding for this project is provided through the Surface Transportation Program (STP) and Transportation Alternatives Program (TAP).

The following is the cost breakdown for the Dupont Road project.

Project Phase	Estimated Cost	Fiscal Year	Federal Share	State Share	Local Share
