

2nd Street (Grabill): Country Shoal Lane to Main Street

(DES# 0901974)

Project Description

This is a road reconstruction project that will include widening and resurfacing from approximately 150' west of Country Shoal Lane to and including the intersection with Main Street. The roadway will include two 12-foot lanes (one in each direction) except at the intersections with Fairview Drive and Country Shoal Lane, where there will be dedicated left turn lanes. The roadway improvement will also include a 2-foot wide combined curb and gutter, a 5-foot parkway (grass strip), replacing the 5-foot concrete sidewalk on the south side of Second Street, and installing a sidewalk on the north side of Second Street from Fairview Boulevard to Main Street.

Preliminary engineering has begun. The right of way acquisition phase of this project is scheduled to begin in 2012. A construction date for this project is schedule for 2014. This project is funded through the Group IV program.
