

Bethel Rd/Huguenard Rd/Till Rd

(DES# 1005320)

Project Description

This project has just begun preliminary engineering. At this time it is proposed to realign Huguenard Road with Till Road by creating a horizontal curve and designing a roundabout at the intersection of Bethel Road and Till Road. The existing west alignment of Till Road will also be designed with a horizontal curve to tie into the proposed alignment of Huguenard Road.

The preliminary engineering began in 2011. The right of way phase of this project is scheduled to begin in 2013. Construction of this project is scheduled to begin in 2014. At this time it is anticipated that the Allen County Highway Department will close the entire project area to through traffic and establish a detour utilizing Dupont Road, SR 3 (Lima Road) and Wallen Road. The funding for this project is being provided through the Congestion Mitigation Air Quality (CMAQ) program.

The following is the cost breakdown for this project.

Project Phase	Estimated Cost	Fiscal Year	Federal Share	State Share	Local Share
PE	250,000	2011	200,000	0	50,000
RW	200,000	2013	160,000	0	40,000
CN	1,650,000	2014	1,320,000	0	330,000
Total	\$2,100,000		\$1,680,000		\$420,000

The local agency responsible for this project is the Allen County Highway Department. You may contact the Engineering Department at 449-7369, if you have any questions or comments.
