

Carroll Road: Corbin Road to 0.5 mile west of Corbin Road

(DES# 0500694)

Project Description

The details of this project are not known at this time. The preliminary engineering is to begin in 2012. The main objective of this project is to realign the roadway to eliminate the two 90 degree bends.

The preliminary engineering phase of this project will begin in 2012. The right of way phase is scheduled to begin in 2013. Construction of this project is scheduled for 2014. The funding for this project is provided through the Congestion Mitigation Air Quality (CMAQ) program.

The following is the cost breakdown for the Carroll Road project.

Project Phase	Estimated Cost	Fiscal Year	Federal Share	State Share	Local Share
PE	200,000	2012	160,000	0	40,000
RW	200,000	2013	160,000	0	40,000
CN	750,000	2014	600,000	0	150,000
Total	\$1,150,000		\$920,000		\$230,000

The local agency responsible for this project is the Allen County Highway Department. You may contact the Engineering Department at 449-7369, if you have any questions or comments.
