

Clinton Street (US 27): Bridge over St. Mary's River

(DES# 0200917)

UNDER CONSTRUCTION

Project Description

The Clinton Street Bridge over the St. Mary's River will be replaced with a Signature Arched Truss Bridge. Lane configuration for Clinton Street will remain the same over the bridge. A pedestrian walkway will be added to one side of the bridge with a lookout area.

Project Update

Construction for this project began in June 2010. Construction in 2010 began on the west side of the bridge, with traffic being maintained at all times. *This project should be completed by December 2011.*
