

# Clinton Street & Washington Center Road

(DES# 0710322)

## Project Description

Improvements to this intersection will include a center left-turn lane on Washington Center Road between Clinton Street and Campus Court. A second left-turn lane will be added to Clinton Street on both approaches to the intersection at Washington Center Road. Sidewalks will also be added on Washington Center Road between Papermill Office Park and River Run Trail.

Preliminary engineering is scheduled to begin in 2012 with right of way in 2013 and construction in 2014. This project is being funded through the Congestion Mitigation Air Quality (CMAQ) fund and the Surface Transportation Program (STP).
