

Clinton Street (US 27): Bridge over St. Mary's River

(DES# 0200917)

UNDER CONSTRUCTION

Project Description

The Clinton Street Bridge over the St. Mary's River will be replaced with a Signature Arched Truss Bridge. Lane configuration for Clinton Street will remain the same over the bridge. A pedestrian walkway will be added to one side of the bridge with a lookout area.

Project Update

Construction for this project began in June 2010. Construction in 2010 began on the west side of the bridge, with traffic being maintained at all times. The west side of the bridge is completed. Beginning in May 2011 the east side of the bridge went under construction with traffic using the west two newly constructed lanes. *This project should be completed by December 2011.*

The following is the cost breakdown for the Clinton Street bridge project.

Project Phase	Estimated Cost	Fiscal Year	Federal Share	State Share	Local Share
PE	634,300	2009	507,400	0	126,900
CN	6,220,000	2010	2,700,000 earmark	0	800,000
		2010	1,494,400 stp	640,000	585,600
Total	\$6,854,300		\$4,701,800		\$1,512,500

The local agency responsible for this project is the City of Fort Wayne. You may contact the City of Fort Wayne at 427-1172, if you have any questions or comments.
