

# Clinton Street & Washington Center Road

(DES# 0710322)

## Project Description

Improvements to this intersection will include a center left-turn lane on Washington Center Road between Clinton Street and Campus Court. A second left-turn lane will be added to Clinton Street on both approaches to the intersection at Washington Center Road. Sidewalks will also be added on Washington Center Road between Papermill Office Park and River Run Trail.

Preliminary engineering and right-of-way acquisition are scheduled to begin in 2011 with construction in 2012. This project is being funded through the Congestion Mitigation Air Quality (CMAQ) fund.

The following is the cost breakdown for the Clinton Street & Washington Center Road intersection improvement project.

| Project Phase | Estimated Cost     | Fiscal Year | Federal Share    | State Share | Local Share      |
|---------------|--------------------|-------------|------------------|-------------|------------------|
| PE            | 90,000             | 2011        | 72,000           | 0           | 18,000           |
| RW            | 60,000             | 2011        | 48,000           | 0           | 12,000           |
| CN            | 974,000            | 2012        | 779,200          | 0           | 194,800          |
| <b>Total</b>  | <b>\$1,124,000</b> |             | <b>\$899,200</b> |             | <b>\$224,800</b> |

The local agency responsible for this project is the City of Fort Wayne. You may contact the City of Fort Wayne at 427-1172, if you have any questions or comments.
