

## Coverdale Road: Airport Expressway to Indianapolis Road

(DES# 0500982)

### Project Description

This is a road reconstruction project and includes two small structure replacements. In addition to this, the lanes on Coverdale Road, between Airport Expressway and Indianapolis Road, will be widened to 12' with shoulders. The intersection of Coverdale Road and Indianapolis Road will be improved and left turn lanes will be added.

The preliminary engineering for this project began in 2009. Right of way acquisition began in 2010. Relocation of utilities and lift station have delayed this project. Bidding for this project is expected in August 2012 with construction scheduled to begin in the fall of 2012. The project is being funded through the Group IV funding.

The following is the cost breakdown for the Coverdale Road reconstruction project.

Project Phase	Estimated Cost	Fiscal Year	Federal Share	State Share	Local Share
PE	552,800	2009	0	0	552,800
