

Dartmouth Drive & Washington Center Road

(DES# 0600172)

Project Description

The intersection safety improvements along Washington Center Road will provide a center left-turn lane between Coldwater Road and the entrance to Bishop Dwenger High School. Existing sidewalks will be replaced by curb face sidewalks.

Construction for this project is scheduled to begin in 2011. Funding for this intersection improvement are coming from two separate funds. The funds are provided through the Hazard Elimination & Safety (HES) program and the Highway Safety Improvement Program (HSIP).

The following is the cost breakdown for the Dartmouth Drive and Washington Center Road intersection improvement project.

Project Phase	Estimated Cost	Fiscal Year	Federal Share	State Share	Local Share
CN	500,000	2011	450,000 (HES)	0	50,000
CN	880,000	2011	792,000 (HSIP)	0	88,000
Total	\$1,380,000		\$1,242,000		\$138,000

The local agency responsible for this project is the City of Fort Wayne. You may contact the Engineering Department at 427-1172, if you have any questions or comments.
