

Dupont Road: Lima Road (SR3) to Coldwater Road

(DES# 0901798)

Project Description

This is an added travel lanes project. The roadway will be widened to four lanes with a center turn lane where needed. The proposed design has a trail on the southside and a sidewalk or trail on the northside. At this time there are no additional details about this project.

The preliminary engineering phase of this project began in 2011 with right of way to begin in 2013. Construction is being programmed for 2015. The funding for this project is provided through the Surface Transportation Program (STP).

The following is the cost breakdown for the Dupont Road project.

Project Phase	Estimated Cost	Fiscal Year	Federal Share	State Share	Local Share
PE	1,226,200	2011	981,000	0	245,200
RW	1,000,000	2013	800,000	0	200,000
CN	8,750,000	2015	7,000,000	0	1,750,000
CN	1,250,000	2015	1,000,000	0	250,000
Total	\$12,226,200		\$9,781,000		\$2,445,200
