

Engle Road Trail: Jefferson Blvd to Towpath Trail

(DES# 1005158)

Project Description

This project is a new trail along the north side of Engle Road from Jefferson Boulevard to the Towpath Trail (just east of Statesman's Way). This trail will connect the newly constructed trail along Aboite Center Road to the Towpath Trail, it will also connect Aboite Township to the River Greenway. The trail will be a 10 foot wide asphalt multi-use trail with 2 foot earth shoulders. The proposed design will include a minimum 5 foot wide buffer between Engle Road and the multi-use trail. A prefabricated bridge will be installed to carry the multi-use trail over the Graham McCullough Ditch.

Preliminary engineering began in 2011. The right of way acquisition phase of this project is scheduled to begin in 2012. A construction date for this project is schedule for 2013. This project is funded through the Congestion Mitigation Air Quality program.

The following is the cost breakdown for the Engle Road Trail project.

Project Phase	Estimated Cost	Year	Federal Share	State Share	Local Share
PE	96,300	2011	77,000	0	19,300
RW	75,000	2012	60,000	0	15,000
CN	526,500	2013	421,200	0	105,300
Total	\$697,800		\$558,200		\$139,600

The local agency responsible for this project is the City of Fort Wayne. You may contact the River Greenway Department at 427-6002, if you have any questions or comments.
