

Johnny Appleseed Trail (Phase Ia)

Johnny Appleseed Park to IPFW Pedestrian Bridge

(DES# 0600368 & 0810504)

COMPLETED

Project Description

Phase Ia of this project is from Johnny Appleseed Park to the IPFW pedestrian bridge. The trail will be a ten-foot wide asphalt trail. This phase of the trail will go under the bridge on Coliseum Boulevard to connect to the new IPFW pedestrian bridge crossing the St. Joe River.

The construction phase of this project has begun. This project is being funded through the Transportation Enhancement (TE) fund.

The following is the cost breakdown for the Johnny Appleseed Park to Shoaff Park Trail (Phase I) project.

Project Phase	Estimated Cost	Fiscal Year	Federal Share	State Share	Local Share
PE	36,600	2009	0	0	36,600
CN	692,000	2010	375,000	0	317,000
Total	\$728,600		\$375,000		\$353,600

The local agency responsible for this project is the City of Fort Wayne. You may contact the River Greenway Department at 427-6002, if you have any questions or comments.
