

Landin Road: North River Road to Maysville Road

(DES# 0710319)

Project Description

This is a roadway widening project. Landin Road will be widened to 12' lanes in each direction and a 14' two way left turn lane from North River Road to Trier/Maysville Road. The project also consists of drainage improvements with curb and gutter section and sidewalks on both sides of the road.

The preliminary engineering phase of this project is scheduled for 2010. The right of way phase is scheduled to begin in 2012. The funding for this project is provided through the Surface Transportation Program (STP).

The following is the cost breakdown for the Landin Road project.

Project Phase	Estimated Cost	Year	Federal Share	State Share	Local Share
PE	250,000	2010	200,000	0	50,000
RW	350,000	2012	280,000	0	70,000
Total	\$600,000		\$480,000		\$120,000

The local agency responsible for this project is the City of New Haven. You may contact the Engineering Department at 748-7030, if you have any questions or comments.
