Project Description

The proposed project will include three 12' thru lanes in each direction with curb and gutter, 6" raised concrete median, left turns lanes, and 8' sidewalks on each side of the roadway. Existing signals will be upgraded, but no new signals are planned at this time.

The construction phase of this project will begin in 2009.

The following is the cost breakdown for the State Road 3 added travel lanes project.

Project Phase	Estimated Cost	Year	Federal Share	State Share	Local Share
