

St. Joe Center Road: Reed Road to Maplecrest Road

(DES# 0400588)

Project Description

This project is still under design. It is assumed it will be similar to the recent construction project on St. Joe Center Road between St. Joe Road and Reed Road. That project is a four lane widening project.

The preliminary engineering phase of this project will begin in 2014. The right of way phase and construction are not scheduled at this time. The funding for this project is provided through the Surface Transportation Program (STP).

The following is the cost breakdown for the St. Joe Center Road project.

Project Phase	Estimated Cost	Fiscal Year	Federal Share	State Share	Local Share
PE	400,000	2014	320,000	0	80,000
Total	\$400,000		\$320,000		\$80,000

The local agency responsible for this project is the City of Fort Wayne. You may contact the Engineering Department at 427-1172, if you have any questions or comments.
