

# 2030-II Transportation Plan

Technical Report  
Fort Wayne-New Haven-Allen County  
Metropolitan Planning Area  
as Amended

July 2010

Northeastern Indiana Regional Coordinating Council

RESOLUTION

A RESOLUTION OF THE NORTHEASTERN INDIANA REGIONAL COORDINATING COUNCIL, CERTIFYING THAT THE 2030-II TRANSPORTATION PLAN AS AMENDED FOR THE FORT WAYNE-NEW HAVEN-ALLEN COUNTY METROPOLITAN PLANNING AREA, ALLEN COUNTY, INDIANA CONFORMS TO THE REQUIREMENTS SET FORTH IN THE 1990 CLEAN AIR ACT (CAAA)

WHEREAS, The Northeastern Indiana Regional Coordinating Council is the Metropolitan Planning Area representing the Fort Wayne Urbanized areas, as well as Allen, DeKalb and Wells Counties in Indiana.

WHEREAS, Allen County is currently designated as a maintenance area for ozone by operation of the law under the 1990 Clean Air Act,

WHEREAS, The Northeastern Indiana Regional Coordinating Council is designated as the Lead Agency for air quality planning as it relates to transportation planning and mobile source emissions,

THEREFORE BE IT RESOLVED, that the Northeastern Indiana Regional Coordinating Council herewithin certifies that the 2030-II Transportation Plan as Amended conforms to the broad intentions of achieving and maintaining the National Ambient Air Quality Standards (NAAQS).

That the 2030-II Transportation Plan as Amended conformity determinations is based upon the most recently available estimates of emissions and which have been determined from the most recently available population, employment, travel and congestion estimates as determined by the NIRCC using its Travel Demand Forecasting Model and VMT estimation procedures.

That a list of exempt and non-exempt projects in the 2030-II Transportation Plan as Amended has been circulated to the Interagency Consultation Group and there is concurrence on the project exempt/non-exempt status.

That no project in the 2030-II Transportation Plan as Amended will cause delay in the implementation of any required and identified TCM.

That the 2030-II Transportation Plan as Amended for the Fort Wayne-New Haven-Allen County Transportation Management Area contributes to the annual emission reductions consistent with sections 182(b) (1) and 187 (1) and 187 (a) (7) of the 1990 Clean Air Act.

That the MPO is aware of no goal, directive, recommendation, or project identified in the 2030-II Transportation Plan as Amended which contradicts in a negative manner any specific requirements or commitments of the applicable state implementation plan (SIP) for the plan.

THEREFORE BE IT RESOLVED, that the Northeastern Indiana Regional Coordinating Council Urban Transportation Advisory Board on July 13, 2010, find the 2030-II Transportation Plan as Amended to conform in all aspects to the requirements of the 1990 Clean Air Act Amendment and 40 CFR Parts 51 and 93.

RESOLVED THIS 13TH DAY OF July, 2010.

THE NORTHEASTERN INDIANA REGIONAL COORDINATING COUNCIL
